## Determination of Patent Term Adjustment under 35 U.S.C. 154 (b) (application filed on or after May 29, 2000)

The Patent Term Adjustment to date is 526 day(s). If the issue fee is paid on the date that is three months after the mailing date of this notice and the patent issues on the Tuesday before the date that is 28 weeks (six and a half months) after the mailing date of this notice, the Patent Term Adjustment will be 526 day(s).

If a Continued Prosecution Application (CPA) was filed in the above-identified application, the filing date that determines Patent Term Adjustment is the filing date of the most recent CPA.

Applicant will be able to obtain more detailed information by accessing the Patent Application Information Retrieval (PAIR) WEB site (<http://pair.uspto.gov>).

Any questions regarding the Patent Term Extension or Adjustment determination should be directed to the Office of Patent Legal Administration at (571)-272-7702. Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at 1-(888)-786-0101 or (571)-272-4200.

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner discussed amending claims 1, 8, and 10 to include the limitations of claim 2 so as to place the claims in condition for allowance. Prior art to Cooper was noted as being applicable to the current invention, but failed to disclose that the interior region has no open pores, as recited in claim 2. Examiner also proposed removing the phrase "...and mixtures thereof" from claim 3 for purposes of clarity. Applicant's representative agreed to the proposed amendments and Examiner asserted that the amendments would be made by way of an Examiner's Amendment.
